

"Called to love God, love one another and serve community"

# CONGREGATIONAL RETREAT 2010 October 22-24/Black Mountain, NC

You are invited to join your Avondale faith family for a memorable time at the Blue Ridge Assembly in the beautiful North Carolina mountains!

This year's program will be lead by our ministers and will focus on: "Receiving, Risking, and Rejoicing in Hospitality"—the joys and challenges we face in living the life of Christ. As a community of faith, Christ shapes who we welcome and how we express his genuine deep concern and love for others. What are the implications when we think more broadly and seek to move to the authentic practice of radical hospitality?
