## Avondale Christmas Marketplace *Sharing Our Gifts*

On Saturday, December 7, 2019 from 9 AM-3 PM, we will hold our first AVONDALE CHRISTMAS MARKETPLACE and VILLAGE!

There are *so many talented and gifted Avondalers!* Doing fibers, knitting, baking, sewing, wood working, painting, photographing, canning, potters, gardeners, authors... really just about any creative gift you can imagine!

*We invite you* to reserve your place for this fun event! As Cheryl Judd-Magee describes it... "It's a contemporary interpretation of a church bazaar!" ...AND we will have a "Christmas Village" of sorts, decorated festively with drinks, cookies and pictures with Santa! Fun for all!

Some details you should know ...

- We will setup the night before in the Fellowship Hall and FLC, if necessary.
- We want to feature Avondalers first! We will provide tables for you, and you are welcome to display your creativity how ever you wish!
- We may charge a minimal fee for your space (\$20.00?), but you may do whatever you wish with your proceeds!
- We may offer a mission component to the day.

*Doesn't this sound like so much fun?!* What a great way to share our gifts, spread joy and have folks from all over be welcomed to Avondale! So, start creating now! December will be here before you know it!

Let me know if you will be with us so we can plan for the display spaces!
